CERTIFIED RURAL HEALTH CLINIC PROFESSIONAL (CRHCP) COURSE

We are offering the only nationally certified training specifically created for professionals within Rural Health Clinic leadership role!

NARHC is offering Directors, Clinic Administrators and other RHC leaders, a unique, full-spectrum course designed to teach you how to operate a successful RHC.

This is an opportunity to learn Basic RHC Operations and detailed training that includes:

- A high-level overview of rural and non-rural health clinics
- An understanding of the RHC program
- The value of being a rural health clinic, and
- Best practices for a successful manager/director in a RHC.

This course requires around 20 hours of videos and instructional information as well as a final exam. If you would like to apply, please complete the survey by **August 30, 2021!** You must complete the survey in full to be eligible! There are several sponsorships available. The coursework is flexible and coursework can begin immediately. The final exam is offered **online only** and will be proctored on **Friday, October 22, 2021.**

You will be notified whether you are selected for this opportunity on **September 1, 2021** and will then be required to submit a registration form.

*You will receive those instructions only if you are selected.

To apply, fill out the below survey in its entirety by August 30, 2021:
